College/University Enrollment:

Number of undergraduate students: Full-Time _____ Part-time _____

Number of graduate students: Full-Time _____ Part-time _____

Institutional Accreditations:

Please identify your regional accrediting agency and provide the date of the last time your institution received accreditation. Information regarding other relevant accreditations is welcome.

Social-Science Disciplines:

Please **check** the majors and minors that students can pursue at your institution in the disciplines listed below. Feel free to also add additional areas of study related to the social sciences that you think are relevant.

Discipline	Undergraduate		Graduate		Number of Tenure-Track Faculty Members with Terminal Degrees
	Major	Minor	Major	Minor	
Anthropology					
Criminal Justice					
Economics					
History					
Human Geography					
International Relations					
Political Science					
Psychology					
Social Work					
Sociology					
Interdisciplinary areas (leadership studies, communications, etc.)					

College Catalog: Please include one catalogue with your application or enter a website address here if your catalogue is only online.

Statement of Interest & Purpose:

Please use the space below for a general statement of why you are interested in starting a Pi Gamma Mu chapter at your institution and why you think you will/can be successful. Besides honoring students in the social-science disciplines, what other activities do you expect to emphasize in your Pi Gamma Mu chapter?

Institutional Support and Authorization:

In your opinion, do you have adequate institutional support and authorization to establish a chapter of Pi Gamma Mu at your institution? Please describe. In addition, we would appreciate contact information of an administrative/institutional representative whom we could contact to verify institutional authorization of this application. (Feel free to use the space below or attach a supplemental statement or institutional letter of support.)

Chapter Contract:

I hereby affirm my willingness, if a chapter is organized, to assume personal responsibility for transmitting fees and enrollment forms to the international office.
