Pi Gamma Mu Chapter Heritage awards are in the amount of \$300 and are awarded to chapters, not individual members. Pi Gamma Mu International reserves the right to restrict the number of awards each year to fit within the constraints of its general budget and based upon the merits of each application. Eligible chapters include only those that have been chartered for ten years or more. Chapters that have been awarded a Chapter Heritage award may reapply, but no more frequently than every ten years. Submissions are accepted at any time during the year.

Chapter applications and queries should be addressed to Pi Gamma Mu, 1000 Millington, Suite B, Winfield, KS 67156.

Part I: Provide a brief narrative description of the project to be undertaken. What will be researched, why, and how will the final product be used by the chapter?

Part II: Provide a brief overview of the resources available to the chapter to undertake this research. This list may be preliminary, but should provide sufficient evidence that the applicants have identified resources that are available. These resources may include individuals, reports, newspapers, photographs, etc.

Part III: Outline a preliminary budget. How will the money be allocated? Items such as phone calls, photocopying and reproduction, local travel, and potentially publication may be included.
